## Can we help?

- Are you experiencing a temporary financial difficulty that a small grant could help you solve?
- Perhaps you need some funds for a travel pass to get you to work before you get your first pay cheque. Or you need a set of tools to start an apprenticeship.
- A school uniform purchase might be causing you to struggle to afford what you know your child needs.
- An essential piece of equipment or white good may have broken or worn out and it's beyond your budget to replace it.

If you find yourself in one of these or a similar situation, the Samuel Manninge Charity may be able to help.

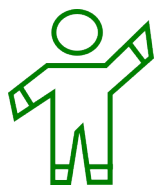

The Samuel Manninge Charity has been offering residents of all ages in Hartlebury Parish small financial grants since it was established in 1633.
