

Agenda item 10

Date	6 /12 /2022	
Agenda No	10	
Title	Pot holes in the car park	
	<p>Background :- Concerns raised over potholes reappearing in the Councils lower car park area. Pot holes had previously been repaired FOC by WCC</p>	
C o n s i d e r a t i o n s	<p>Quotes difficult to obtain as many contractors asked would not quote as they did not work with Breedon Gravel material.</p> <p>Quotes received from two Contractors.</p> <ol style="list-style-type: none"> 1) Excavate area to depth of 100mm, remove spoils from site. Spray. Reinstated with base course to depth of 60mm. Surface 10m SMA to depth of 40mm. Compact. £2750 plus vat 2) Main entrance consideration and around the turning point so resulting in heavier wear. Scarify existing Breedon Gravel, surfacing to full as laid depth, regrade and compact, there a number of smaller pot holes which would be included in the above £1540 plus vat. Car park levels play an important part. Area extends 10m x 5m. Potholes would reappear due to the nature of Breedon Gravel. 	
	<p>Urgently required the repair of the potholes under health and safety concerns, failure to carry out would result in the whole car park area having to being closed off.</p>	
Risk	Medium/high.
