Allotment Ground

The Parish Council received notification that the Church Commissioners for England wished to sell the Hartlebury Allotment ground and to advertise the land on the open market but giving the Council the opportunity to discuss first.

An agreement with the Church Commissioners has been in place since 1973 with the land proving to be extremely popular, especially over the last year during lockdown.

Considering the purchase of the ground has received a lot of support from the allotment holders and so the Council would like to progress matters by looking to secure the future allotment needs of the parish by purchasing the allotment ground.

With that in mind, we now invite all your views, would parishioners be in support of the council buying the Hartlebury Allotment ground. .

How to put your views forward:-

- 1) Via our Facebook page.
- 2) The Parish Website, look for the section called “allotments”
- 3) Drop your views off at the Post Office , Hartlebury Village
- 4) Email, using our dedicated email address , allotm.hpc@gmail.com

There are lots of ways to have your say, we look forward to hearing from you, please bear in mind the closing date, June 30th 2021.

Regards

Lesley Cleaver
HPC Clerk.
