

HARTLEBURY PARISH COUNCIL

AGENDA ITEM 14

Date	6 /5/2020	
Agenda Item No	14	
Title	The Running of the Village Hall.	
B a c k g r o u n d	<p>The PC and PHMC would appear to have differences of opinions. This has not been a current issue but has existed for many years. We have a Parish Council with all but one new parish councilors so have no history of past events.</p> <p>Even this Council has suffered the undermining of their work with leaflet drops and radio interviews. It must be remembered that this current Parish Council had nothing to do with the Community Project, the project which has considerable concerns which this Parish Council must now resolve. The bringing of the car park under the remit of the PHMC will not in my opinion resolve the problems between the two parties.</p>	
C o n s i d e r a t i o n s	<p>The only way forward to stop this continual discord would be a relatively simple one and that would be to consider having the Village Hall under the umbrella of the Parish Council, that's the only sensible way forward to bring everything under one roof, the children's area, MUGA, playing fields, tennis courts, car park etc , there can be no falling out.</p>	
P r o p o s a l s	<p>The Parish Council to set up a working party to investigate this proposal, I would envisage working with the PHMC so the running of the village hall by the Parish Council would be a smooth and agreeable way forward for the good of this community. This I believe would have the effect to stop the endless years of discord.</p>
