

HARTLEBURY PARISH COUNCIL

Agenda Item

Date	27/04/21
Agenda Item No	10
Title	Electric Supply to Hartlebury Village Green for Christmas Tree Lights
B a c k g r o u n d	On 24 th March 2021 WDC approved £19,364 from the New Homes Bonus for Hartlebury Parish Council's projects. Projects are gym equipment on the village green and an electric supply to the village green for Christmas tree lights. Projects will have to have commenced by 31 st March 2022.
C o n s i d e r a t i o n s	Hartlebury Parish Council will need to buy a weatherproof cubicle and employ an electrician to install Western Power's cable to the cubicle. I am awaiting a reply from Western Power to ensure these are the only things we have to supply.
P r o p o s a l s	To agree to claim £5,019.91 from WDC New Home Bonus, to then pay Western Power for them to supply and install a single phase service cable across Waresley Court Road and into our cubicle. To get 3 quotes for the cubicle, fixing of cubicle, and employing an electrician. This to be brought back with quotes to main meeting on 5 th May 2021.
Risk	Low
