7th Sept 2021	From a member of the public. Safeguarding Children on the tennis courts	Hedges around the tennis court need to be cut to 1m to maintain health plus safeguarding the users of the facility.	To consider the cuttting down of the trees. One side is always clear. Consideration on 3 x sides left. Considerartion of the views from the houses across the road	As the courts are always open on the one side risks reduced	L
7th Sept 2021	From a member of the public Leaf decay-Tennis Court	Regular collection of leaves in Autumn to prevent deacy	Add to the grass maintenance contract	Courts surface will be affected	L
