

HARTLEBURY PARISH COUNCIL

Date	6 th April 2021
Agenda Item No	7
Title	Website and Social Media Committee
B a c k g r o u n d	The Website and Social Media Committee have been working hard with a web developer to create a new easily accessible website for the PC.
C o n s i d e r a t i o n s	<p>The website has now been created and Cllr Tranter and Cllr Pratt have completed training in how to upload items to the website.</p> <p>Policy documents have been uploaded to the website. To keep the website uncluttered and clear only agendas, minutes, notices and planning from 1 April 2021 will be uploaded to the website. Anything prior to this date will be found on the Worcestershire County Council website. The link for this is on the homepage of the new website and this website will not be removed.</p> <p>The website is now live and should provide an easy to navigate information point for all things Hartlebury.</p> <p>It is proposed that the name of the committee be changed to be more encompassing.</p>
P r o p o s a l	<p>Any comments or suggestions welcome.</p> <p>To change the name of the committee to: "PR and Communications Committee"</p>
Risk	Low
