

Agenda Item 8

Date	6 th / 9/2022	
Agenda No	8	
Title	Installation of Kissing Gates	
B a c k g r o u n d	<p>Following the Annual Parish Meeting the Footpaths Warden contacted me asking for support for the installation of kissing gates.</p> <p>It is understood 35 have been successfully installed so far, five left requiring installation. One is to be installed at the landowners cost because he would like to change the footpath route. 4 gates with stiles need installation support by the Parish Council as no contribution from other land owners.</p> <p>The actual cost of the gate itself is paid for by WCC</p>	
C o n s i d e r a t i o n s	<p>Gate installation would be:- 2 on path route 524, 2 on 526 Permission has been granted for the installations by WCC</p> <p>Permission needs to be sort from the landowner/s which will be addressed by the Footpaths Warden and sent to WCC.</p> <p>Cost for four installations £600 which is the "going rate" for WCC installations.</p>	
P r o p o s a l s	<p>To cover the associated cost £600 for the installation of four kissing gates with styles. Payment direct to the installer after works complete. (Highways Act 1980, s43 & s50. S111 of the LGA).</p> <p>This would not take place until all landowner/s have given permission for the gates to be positioned on their land.</p> <p>Budget consideration - £600 to be moved from "Insurance" to cover this agenda item cost</p>
