## Proposed Agenda Item

Agenda No:	
------------	--

Title	Request from Ombersley Dramatic Society: Container on Car Park
-------	--

B a c k g r o u n d	<p>HPC have received a request from Ombersley Dramatic Society (ODS) to site a 20ft by 8ft container on the main car park to use for storage, which they intend to share with the Parish Hall.</p> <p>ODS use Hartlebury Parish Hall as a venue for rehearsal, production and performance of plays. Storage at the parish Hall is limited.</p> <p>HPC will always endeavour to support community groups and organisations where possible taking into consideration the benefit to the residents of the Parish of Hartlebury and all risks involved.</p> <p>The minutes from the September 2019 HPC meeting show that ODS have previously requested for a container to be sited on the Parish Hall car park: <i>“Agenda item 11 - it was felt that it would be inappropriate for the container to be sited on the car park with the main reasons being health &amp; safety, an eye sore and the taking up of car park space.”</i></p>
--	--

C o n s i d e r a t i o n s	<p>Has anything changed with the geography of the car park to facilitate safely accommodating a 20ft by 8ft container addressing the health and safety concerns?</p> <p>Location of container, after much consideration the RE&amp;AAG could not identify a location where the container could be safely positioned without compromising car park security or the safety of users.</p> <p>Size of container all locations considered would compromise "the field of view" for car park users and the proposed CCTV coverage of the facility.</p> <p>This risk was considered to be unacceptable.</p>
--	--

P r o p o s a l s	<p><b>After full council consideration</b></p> <p>Sadly, the RE&amp;AAG recommends that HPC refuses this request as no suitable safe location could be identified.</p>
