

Hartlebury Station Friends

Creating a warm welcome to our community

need your help

A small group of volunteers who have come together with the aim to:

- make difference to our community
- improve the environment and appearance of this entrance to the village by providing visual stimulation
- encourage community involvement and ownership of the station environs

Membership is open to anyone, whether you have a green thumb, a knack for organising, enjoy fundraising or just love trains, we'd love for you to join us!

Together we can!

If you are interested and would like more information please contact:
