

Date	01/09/2026	Proposed Agenda Item
Agenda No:		
Title	CCTV cameras maintenance	
B a c k g r o u n d	It is suspected that as a consequence of regular interruptions to the power supply (as in power cuts), the cameras on the MUGA and the tennis courts have stopped transmitting to the main recorder. HPC did not take on a maintenance package with ATEC at the time of installation.	
C o n s i d e r a t i o n s	To correct this situation HPC require to call out the ATEC engineer to examine the non-functioning cameras in order to get them back online and recording again. As we have had some vandalism to the tennis courts in recent weeks, the Police had asked for the cctv footage which, unfortunately, we were unable to produce. So it is an urgent that this matter is sorted out. The Clerk has obtained a quote for the work to be undertaken: Callout fee: £246 + vat Additional hour of labour: £133 + vat Total = £379 + vat	
P r o p o s a l s	For council to approve this callout to correct the non-functioning cameras as soon as possible.	
Risk	HIGH
